Project # Dome-2017-GutterTub-AFC2M

The Design Professional is to supply all materials, labor and efforts needed to complete The Scope of Work, which is generally defined as:

Evaluate, study and recommend the best course of action, design solutions and Design Documents, regarding the replacement of the water proofing gutter tubs on the exterior of the 700 Level.

This project will follow the State of Louisiana Procurement Process. SMG/LSED is committed to achieving inclusion of minority and women-owned businesses with respect to the procurement of goods, products and services. If applicable, provide your firm's or your sub-consultant's Disadvantaged Business Enterprise SLDBE Certification in accompaniment of the Proposal.

Access to the facility and all questions regarding this Scope and Process should be directed to Pat Tobler, Project Manager, in writing, via e-mail only, at pat@toblerllc.com.

All documentation for the project, including this Advertisement, shall be posted on Letterman's Bid Connect. Documents may be obtained without charge and without deposit at www.lettermansbidconnect.com. To be able to receive all ongoing documentation, including Addendum, the Contractor **must** register with Letterman's.

Proposals will be received at the Tobler Company on Wednesday, April 12, 2017, no later than 2:00pm. 1500 Sugar Bowl Drive, Suite A, Mercedes-Benz Superdome Gate A Mezzanine Level, New Orleans, Louisiana, 70112.
