

HOW TO PURCHASE PREMIUM TICKETS

PURCHASING STEPS

The first step is to create a one-time purchaser profile in our system:

[SMOOTHIE KING CENTER PURCHASER PROFILE](#)

Please note, it is highly recommended to use your Ticketmaster email address or the email address that the tickets should be sent. The system **automatically** sends the tickets to the registered email address.

Once your account has been created, notify your premium representative who will then initiate payment via the payment method listed in your profile.

ACCESSING TICKETS

All tickets may only be accessed through your **Account Manager (Smoothie King Center or Caesars Superdome)** using the original purchaser email address.

As a reminder, this is different than the normal Ticketmaster App.

Smoothie King Center Tickets may be accessed here: [OFFICIAL ACCOUNT MANAGER HOME PAGE](#)

Individual purchaser profiles must be created for both Smoothie King Center and Caesars Superdome, as one does not translate over to the other.

TRANSFERRING TICKETS

Tickets may be transferred to guests individually in the Account Manager account.

ALL guests will need to create their own Account Manager profile to accept the transferred tickets via the following links:

Smoothie King Center: [OFFICIAL ACCOUNT MANAGER HOME PAGE](#)

CATERING

Food and beverage is a separate purchase.

For Smoothie King Center Suites, you may order here:

[SMOOTHIE KING CENTER PREORDERING](#)

If you have any questions regarding catering for your suite, please contact our catering team directly via email:

skcsuites@legends.net

PARKING

If parking is included in your purchase, the pass will be emailed the week of the event from support@justpark.com
